

Perk on Main—New Location!

small farms, small business, help us make a difference

KICKSTARTER

**We need your help to open our new store on
344 Main Street Middletown, CT in March 2016!**

The money raised will be used towards the down payment of the building. While it was a restaurant before, there is a good amount we need and would like to do, including:

- Painting
- Plumbing
- Purchasing equipment (crepe makers, espresso machine)
- Repairing existing equipment
- Repairing and refinishing floors

Visit our campaign for more information:
